

Bunjil Place

An IntraSpace Project

ABOUT THE PROJECT

- Bunjil Place is the first facility of its kind, bringing together creativity, entertainment and community in a way that is unparalleled in Australia
- As the City of Casey's vibrant new entertainment precinct, it is the creative and community heart of the region.
- Bunjil Place brings together an unprecedented mix of facilities including an outdoor community plaza, theatre, multipurpose studio, function centre, library, gallery and City of Casey Customer Service Centre all in one place.
- Bunjil Place extends beyond the building, it is embodied by the whole precinct; from the glass façade of the impressive foyer it extends across the landscape to the memorial grove, Casey ARC and surrounds.
- With so many spaces, a variety of exciting and diverse entertainment options and activities are possible, enabling visitors to create their own experience.
- It is a destination for everyone to access, year-round.
- THE BUNJIL - The impressive architecture and the name, Bunjil Place, were inspired by stories of Bunjil (also referred to as 'Bundjil') by our First Nation's people.

PROJECT SCOPE

IntraSpace worked closely with Multiplex, FJMT and City of Casey to provide a range of stunning furniture and modular pod seating.

Our range of Motion soft seating provides areas for people to socialise or complete short mobile tasks in a relaxed environment.
