

Lighthouse Christian College

An IntraSpace Project

ABOUT THE PROJECT

- Lighthouse Christian College Cranbourne (LCCC) is based in Cranbourne, Melbourne offering an unique educational experience in Christian values.
- The school was founded in 2000, and caters from Prep to Year 12 and has a vibrant atmosphere with over 900 students. Due to the school's rapid expansion, it needed a new Administration Building, Office Space and new Classrooms. A new state-of the art building was constructed and opened for the school year of 2018.

PROJECT SCOPE

IntraSpace was approached to design and supply all furniture for the new Admin/Classroom Building.

We were given a very short timeframe to complete the main works of around 5 weeks.

The scope included the following:

- / All Admin and Executive staff workstations, seating and storage
- / All filing and shelving solutions
- / 265 x Student Tables – height adjustable
- / Over 500 Student Chairs – at a range of seat heights
- / Lunchroom and reception furniture
