

Werribee Football Club- Avalon Airport Oval

An IntraSpace Project

ABOUT THE PROJECT

The Chirnside Park oval, now renamed Avalon Airport Oval is home to the VFL team of Werribee Football Team. It has just undergone a major redevelopment, after Wyndham Council committed funding of over \$5.5 Million

The project has seen a new pavilion and upgrades to facilities including a lift, umpires' change rooms, female change rooms, improved spectator seating and meeting rooms. It also brings the facilities up to modern building standards, and allow it to meet disability requirements and AFL standards.

The female change rooms will enable first division women's and girls matches and finals to be played at the ground. AFL Victoria will also establish a Youth Girl's Football Academy at the ground.

It was the biggest redevelopment the club's home ground has seen in its 50-year history.

"Chirnside Park is the centre-place for Wyndham sport, community, and recreation," Mayor of Wyndham, Peter Maynard said.

PROJECT SCOPE

Werribee Football Club engaged IntraSpace to supply all loose furniture; office fitouts, massage tables, seating, flip tables, boardroom table and chairs, and more. Our team assisted with colour selection and design, provided sample choices and installed on time and on budget. To show our support to this local facility, IntraSpace donated one of the Medical Beds for the Medical Rooms.

Alongside this project, IntraSpace also supplied furniture for North Melbourne Football Club's "The Huddle" - a not-for-profit, award winning Learning and Life Centre.

ABOUT INTRASPACE

IntraSpace is dedicated to providing effective and efficient Storage & Office Furniture Solutions for all areas of Healthcare, Schools, Universities, Libraries and Corporate Offices.

IntraSpace works with our clients across Australia in the design, layout, supply and install of quality Storage and furnishing solutions. Central to our design philosophy is the combination of best use of space with the ability to refresh floor layouts via flexible solutions.

With over 15 years' experience, IntraSpace designs high quality, compliant retro-fits, upgrades or new fit-outs that function seamlessly within the everyday demands of your space ...because space is valuable!
