

LAMINEX® COLOUR PALETTE

Laminex®
Inspire your space

Above: Feature wall, shelving and coffee table in Laminex Tanganyika.

The Laminex® Colour Palette features over 200 contemporary decors including solid colours, patterns and woodgrains. From timeless to cutting edge, the palette offers a full spectrum of decors to create the perfect space.

The Laminex Colour Palette is fully integrated throughout the entire Laminex range to provide inspirational solutions for many applications. Some options include sleek Squareform[®] benchtops, seamless Freestyle[®] and lustrous DiamondGloss[®] surfaces. A comprehensive selection of doors, drawers and panels is also available as part of the Laminex range in a myriad of styles, textures and finishes. Now you can effortlessly achieve exactly the look and feel you want. With hundreds of design-leading decors across endless interior solutions, the Laminex Colour Palette is sure to inspire your space.

Laminex laminates and panels are suitable for horizontal and vertical applications. With over 200 design-leading decors and a myriad of styles, they will inspire any interior space.

Laminex DiamondGloss® surfaces are high-gloss laminates with exceptional scuff resistance and brilliant lustre.

Laminex Squareform® benchtops give you the modern appeal of a stone slab with the practicality of laminate.

Laminex Freestyle® surfaces combine the look of stone with superb durability. Developed with polyester and acrylic resins, they also offer high levels of stain and bacteria resistance.

Laminex Innovations® will stimulate your senses through cutting-edge texture, colours and designs. Suitable for vertical applications, they will take your surface finishes to an entirely new level of sophistication.

Laminex Metaline® splashbacks are an advanced aluminium splashback system available in high-gloss and metallic surfaces. The polished, modern look is certified for installation behind both gas and electric cooktops.

Laminex Aquapanel® is perfect for shower recesses and laundry walls. It's available in a range of colours and in gloss, matt, tile and ripple options.

Laminex Compact laminate has a beautiful appearance with a distinctive black core. It is a strong, moisture-resistant, self-supporting panel ideal for vertical or horizontal applications.

Laminex Fusion® surfaces allow you to choose from over 300 designs. You can even have your own creation brought to life. A revolutionary concept in surface design, they offer greater design choice, flexibility and ease of use than ever before.

Laminex also offers the most comprehensive door range available.

Laminex Contour® Finedge™ doors are made from hardwearing melamine and feature a sleek 3mm edge profile. They are also available with a square edge profile and a 7mm edge profile.

Laminex Vinyl doors can be used with **Laminex Silk Finish™** gloss panels for effortlessly stylish appeal.

Laminex Surround™ Coated doors and panels are fully enveloped, seamless surfaces in a range of neutral colours for vertical applications. They are available in suede, gloss and oxide finishes.

Laminex ColourTech® painted doors are coated in an advanced 2 Pac polyurethane paint and are available in a variety of finishes.

Laminex CrystalGloss® surfaces epitomise European sophistication. The CrystalGloss Clear range brings a high-gloss, luxurious polish to selected decors for vertical applications. The rich, opulent CrystalGloss Metallic range is inspired by precious metals and jewels.

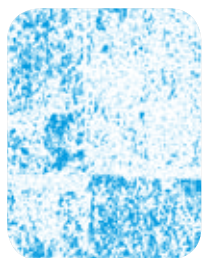

Laminex Timber Veneer doors and panels come in a range of styles that embrace classic and exotic real timbers, adding a stylish accent to any interior. Selected options are also available with FSC certification.

Laminex Finline™ and Pureline™ aluminium framed doors offer a clean, linear look and are available with a variety of inserts from timber veneer to melamine or even glass.

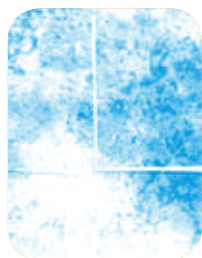

Laminex Timber doors give you the luxurious, natural warmth of solid timber:

Inspire your space

For a free sample chip call 1800 002 204. For more information visit laminex.com.au or call 132 136.

Laminex is marketed, distributed and manufactured by The Laminex Group. A division of Laminex Group Pty Limited ABN 98 004 093 092. The colours of the photographs depicted in this brochure are as close to the Laminex range as photographic lighting and modern printing processes allow. Colour/finish combinations are subject to availability. Colour/finishes shown are available at the time of publication, but may be withdrawn. Dark colours and gloss finishes require more care and maintenance than light-coloured and lower-gloss surfaces. The Laminex Group recommends the use of laminate cleaning products for dark colours and gloss finishes, please visit laminex.com.au for specific care and cleaning information. Please note that in certain lights or from different angles wipe down marks may be visible. The Laminex Colour Palette is no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. The Laminex Colour Palette should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface over time. Laminex®, ColourTech®, Contour® Finedge™, CrystalGloss®, DiamondGloss®, Fusion®, Metaline®, Silk Finish™, Squareform®, Surround™
